Circular No: 01/2021-2022

DATED: 20.03.2021

Dear Parents/ Guardians

Today **March 20** is **World Happiness Day**. Last year, around this time, India slipped to the bottom rung with the Pandemic. As days turned into weeks and then months we adapted to life in the 'New Normal'

A year down, and one learning stands universal, that it doesn't take much to be truly happy. Just being mindful and focused in all we do, is enough.

Finally, **Happiness got Unlocked** as we celebrated the little joys of life. Our flagship IGCSE Pioneer batch successfully cruised through the board exams, students of grade 5- 8 had a smooth sail during the Offline School Examination and the young Cambrianites from kindergarten to grade 4 stepped on to the next rung of the Success Ladder.

'Happiness Unlocked' has worked wonders for us and as we celebrate the victory of resilience over adversities, let us continue to hold the key to **JOY** and march towards the new academic session **2021-2022**.

Happiness begins with our children and to keep them safe and sound is our assurance. As the Lord keeps them in His protective shield, the SHCI team currently embarks on its Online Educational Odyssey, till the second wave subsides.

Happiness lies in the joy of achievement and the thrill of creative efforts...together we shall surely open a broader spectrum to the **Happiness Doorway**, but, till then let us continue to reach out, connect and celebrate our skills and efforts.
