CIRCULAR NO: 1/2023-24

Dated: 18.04.2023

Dear Parents / Guardians,

As we welcome the new academic session, we embark on a journey of **New Beginnings**. It is a time of reflection, growth, and discovery. We, at the school, are excited to explore and experience this new chapter with our students. Rightly said **"There are far better things ahead than any we leave behind"**. It is with this spirit of optimism that we look forward to this new academic year, with renewed vigour and enthusiasm.

It is our firm belief that with the right education, our students can make a difference in the world. We at Sacred Heart Convent International School are committed towards providing a nurturing environment that encourages our students to explore their potential and reach new heights.

Our aim is to provide holistic education that fosters the intellectual, social, emotional, and physical development of each child. Working towards achieving the aforesaid aim; we are thrilled to introduce new art education subjects and clubs such as: Yoga, life skills, chess, etc in this academic session. Introduction of these subjects will enhance the learning experiences of our students and will also provide students with opportunities to explore their interests. Furthermore, learning of these skills will not only cultivate physical fitness and mental well-being but will also equip our students with the necessary skills to face the challenges of life.

We look forward to partnering with you to support your child's education and growth. As it's said, **Nothing is predestined. The obstacles of your past can become the gateways that lead to new beginnings.**

As we embark on this new academic year, let us encourage our children to keep trying, keep learning, and keep growing.

Thank you for entrusting us with the education of your child. We look forward to a wonderful year ahead.
