## English

### Be an Innovator- Individual Activity

Invent and describe a character who is a Superhero. Use the following techniques taught in the class to describe your Superhero: adjectives, descriptive words, imagery, appeal to the senses, short sentences and varied punctuation. You will present your work on A4 size sheet and also draw the sketch of the superhero created by you.

(Project Assessment)

Kindly note that this above-mentioned activity is also your project which will be assessed post holidays keeping in mind the parameters given.in the class. Refer to Chapter 1 Unit 8 of your Eng book for further assistance.

### Be a Conferrer -Group Activity (Speaking Assessment)

Post holidays students will present their short scene from their favorite book or Movie in an intriguing manner in the class and will be assessed on the following parameters: Expression, body language, Voice Modulation, Pronunciation, intonation, gestures. Remember the scene should develop two distinctive characters. You need to coordinate with your partner and present your scene. Refer to chap. 1 unit 5 for assistance.

Les pays voisins de la France.

France is surrounded by six neighboring countries. These 6 countries are related to France in one way or the other.

Research and write 3-4 lines regarding each country, expressing their connections with France.

Demonstrate your project work with the help of pictures on an A4 sheet you can also draw instead of pasting pictures to illustrate.

Merci

## Science

1. Prepare a chromatogram from fresh plant material (Example: Spinach leaves) using nail remover as the solvent. Analyze the chromatogram and find the principle lying behind it. Give your observation in form of a report.
