SERIES: MARCH 2024- MARCH 2026

CIRCULAR NO: 25/2023-24

DATED: 25.11.2023

Cambridge International AS and A Levels are **internationally benchmarked qualifications providing excellent preparation for university education.** A level stands for Advanced Level and AS Level stands for Advanced Subsidiary Level.

The subject content of each of the *A Level* syllabuses has been subdivided into two parts: the AS syllabus content which is covered in the first half of the course (Grade 11), and part two of the syllabus commonly referred to as 'A2' covered in Grade 12. From the range of three assessment options available, we follow the approach wherein candidates take all papers of the Cambridge International **A Level** at the end of Grade 12.

The General Certificate of Education Advanced Level, or A Level, is the 'gold standard' of Cambridge qualifications. It is accepted as an entry qualification by Universities around the World.
