Dear Parents& Students,

Proverbs 11:25

"A generous person will prosper; whoever refreshes others will be refreshed."

Dear Parents and Students,

We hope this message finds you and your loved ones in good health and spirits.

The past two months have been incredibly difficult for many across our state. The **devastating floods in Punjab** have affected **all 23 districts**, leaving nearly **1,996 villages submerged** and causing extensive damage to over **1.75 lakh hectares of farmland**—the very land that feeds us all.

This tragedy has deeply impacted our **farming communities**, who, for generations, have toiled selflessly to provide nourishment for our tables. **Now, in their time of need, it is our turn to give back.**

Dear students,

We believe that education is not only about knowledge, but also about empathy and action. As members of a compassionate society, we must rise together and extend a helping hand to those who are suffering. **True generosity flows from a heart of compassion.** It's not just about giving what's convenient—it's about **sharing our time, energy, and resources** with those who may never be able to repay us.

This year, we invite you to join us in supporting the flood-affected families of Punjab. Your generous contribution will not only be appreciated but can bring comfort, dignity, and hope to those who have lost so much.

Let us teach our children, not just through words, but through actions—that **it is more blessed to give than to receive.** The contributions will be collected according to the following dates:
