**Circular No.: 31/2025-26**

**Dated: 11.11.2025**

Tick-tock, tick... as December tiptoes in with its frosty charm, it brings with it a season of reflection, diligence, and celebration!

**Dear Parents and Students,**

As the year gracefully draws to a close, the corridors of our school echo with both anticipation and cheer. December marks not only the **pen-and-paper examinations but also the spirit of growth, gratitude, and new beginnings.**

Our young learners are now ready to showcase all they have explored and understood through these months — their curiosity, creativity, and consistent effort will soon find expression on paper.

This year has been a tapestry of trials and triumphs. The floods that swept across Punjab tested our strength yet also revealed something extraordinary — the power of compassion and unity. Amidst nature's fury, humanity stood tall. Neighbours became family, strangers became helpers, and kindness flowed stronger than the waters themselves.

Let this spirit of togetherness remind our children that resilience and empathy are the greatest lessons life can teach.

As the chill in the air deepens and Christmas bells begin to chime, may every child's effort shine brighter than tinsel and stars. Let December be a month of focus and festivity, of hard work and heartwarming joy.

**"The light shines in the darkness, and the darkness has not overcome it." – John 1:5**

May this light of hope guide each learner towards strength, peace, and success!
