

**SACRED HEART CONVENT INTERNATIONAL SCHOOL
SARABHA NAGAR, LUDHIANA**

Circular No: 45/2025-26

Dated: 23.01.2026

Dear Parents / Guardians

Warm Greetings!

Every new year brings with it an opportunity to begin again—with renewed focus, clearer goals, and stronger determination. 2026 stands before us as a year full of promise, inviting each learner to grow, explore, and achieve beyond expectations.

Success does not happen by chance. It is the result of thoughtful effort, careful planning, and the right mindset. Just as scientific results depend on proper conditions, academic success too depends on discipline, curiosity, perseverance, and belief in oneself.

As we move closer to the end, let us remind ourselves that preparation is not only about hard work, but also about smart work. To understand this better, let us reflect on a meaningful story.

There once lived a young farmer named Elias, who worked tirelessly in his fields every single day. Though sincere and hardworking, his harvest never reflected his efforts. One day, a wise traveller observed Elias and gently advised him that effort alone is not enough—understanding, planning, and using the right methods are equally important.

The traveller encouraged Elias to learn about the soil, seasons, tools, and techniques best suited to his land. Taking this advice seriously, Elias studied, sought guidance, and adapted his approach. In time, his farm prospered, proving that true success comes when effort is supported by knowledge and strategy.

The lesson is clear:

- Consistent effort must be guided by understanding.
- Right resources and guidance enhance outcomes.
- Learning, adapting, and planning lead to lasting success.

As students prepare for the upcoming assessments, we encourage them to adopt this approach—study with purpose, practise with understanding, and remain confident in their abilities.

Remember, 2026 is your space to experiment, learn, and succeed. When the right conditions are created, positive results are inevitable.

Let us work together to make this academic year meaningful and rewarding.

FINAL ASSESSMENT FEBRUARY 2026- CLASS NURSERY

DAY & DATE	CLASS NURSERY
Monday, 23.02.2026	English (Letters A to Z)
Wednesday, 25.02.2026	Number Crunching (1 to 10)
