SARABHA NAGAR, LUDHIANA**

Circular No.: 03/2026-27

Dated: 10.04.2026

**April whispers soft and new,
With skies of hope in brighter hue,
Spring awakens, life takes flight,
And Easter brings its gentle light.**

Dear Parents/Guardians,

As we mark the commencement of the new academic session, we take a moment to appreciate the enriching and engaging experiences of the Bridge Course that commenced on 24th March. It was truly heartening to witness our children immersed in purposeful learning, building confidence, connections, and curiosity for the year ahead.

In a world often shadowed by conflict, chaos, and change, it becomes even more essential to nurture in our children the values that truly matter—hope over hesitation, kindness over conflict, and understanding over unrest.

As wisely expressed, **“In the midst of difficulty lies opportunity.”**

April is the month of new beginnings, where every day brings the promise of growth and fresh possibilities. It arrives as a season of renewal, rebirth, and resurgence.

Spring softly showcases the silent strength of pollination—small, steady steps that weave into vibrant beauty and abundant life. Festivals like Baisakhi and Easter beautifully echo this spirit, embellishing it with gratitude, growth, and the promise of new beginnings.

As we continue our sojourn into the April academic adventure, let us stride ahead with ambition, ardor, and appreciation.

Dear Children,

This is your moment to start afresh—to approach your learning with greater focus, nurture your friendships with patience, embrace responsibility in your actions, and step forward with confidence in your abilities.

Remember, small steps lead to significant success, and every effort counts.

We extend a warm and wholehearted welcome to all our new students. You bring with you fresh energy, fearless dreams and fascinating possibilities.

Here’s to a year of purposeful progress, mindful moments, and meaningful milestones.

“Dream daringly, strive steadfastly, and shape this year as the canvas for your shining successes.”

Dates to remember:

14.04.2026 : Vaisakhi/ Birthday of Dr. B.R. Ambedkar
19.04.2026 : Birthday of Lord Parshuram Ji
14.05.2026 }
to } : May Pen & Paper Examination Classes LKG to X
