MESSAGE

Dear Students,

Congratulations! Another amazing term is complete, and now it's officially time for sunshine, snacks, naps, adventures, and all the summer fun! You've worked incredibly hard, learned so much, and made us super proud. Now it's your turn to relax, recharge, and enjoy your well-deserved break.

But wait... before you disappear into vacation mode completely, we've packed a little *Holiday Homework* for you! Don't worry – it's not here to spoil the fun. It's full of creative, interesting, and meaningful activities to keep your brilliant minds buzzing while you enjoy the holidays.

 **Summer Survival Tips:**

-  Read something fun – storybooks, comics, magazines, or anything that sparks your imagination!
-  Stay curious – ask questions, try new things, and explore the world around you.
-  Play, laugh, and rest – summer is also about making happy memories with family and friends.
-  Be a smart planner – finish your work little by little so there's no last-minute panic monster!

Most importantly, enjoy every moment, stay safe, drink lots of water, and come back with exciting stories, happy smiles, and lots of energy!

Happy Holidays & Have a Fantastic Summer! 🌴🌟
