

**SACRED HEART CONVENT INTERNATIONAL SCHOOL
SARABHA NAGAR, LUDHIANA**

Circular No.: 16/2026-27

Dated: 08.08.2026

Dear Parents/Guardians,

Greetings!

“An investment in knowledge pays the best interest.” — Benjamin Franklin

At **Sacred Heart Convent International School**, we believe that education is the quiet art of shaping minds, strengthening character, and awakening purpose. True excellence is neither inherited nor accidental; it is cultivated through **discipline, determination, and devotion to learning**. Every lesson learnt, every obstacle overcome, and every aspiration pursued adds another brushstroke to the masterpiece of a child's future.

It is with immense pleasure that we announce the **Cambridge Checkpoint Examination – March 2027 Series**, an important academic milestone that reflects our unwavering commitment to international standards of excellence.

About Cambridge Checkpoint

Developed by **Cambridge International Education**, the Cambridge Checkpoint is a globally respected assessment programme for learners aged **5 to 11 years** (Primary) and **11 to 14 years** (Lower Secondary), evaluating their attainment in the core disciplines of **English, Mathematics, and Science**.

Far more than an examination, it is a thoughtful reflection of each learner's academic journey. It measures not only what students have learnt but also **how they reason, how they apply, and how they progress**—providing a clear pathway for future academic success.

A Window into Every Learner's Potential

The Cambridge Checkpoint serves as a valuable International benchmark, offering rich diagnostic feedback that celebrates achievement while illuminating opportunities for further growth. The detailed reports enable teachers to refine instruction, empower learners to embrace purposeful improvement, and equip parents with meaningful insights into their child's academic development.

Rather than simply assigning grades, the assessment **recognises potential, nurtures confidence, and inspires excellence**. It transforms evaluation into opportunity, feedback into growth, and achievement into aspiration.

A Collective Pursuit of Excellence

As we embark upon this significant academic milestone, we look forward to the wholehearted participation of every learner, reaffirming our shared commitment to nurturing inquisitive minds, confident individuals, and responsible global citizens.
